

Sponsorship Opportunities 2008

It'll be hokey, it'll be fun, and it'll be ridiculous! Sputnikfest will bring out the wacky, the tacky and the urge to eat an extra-terrestrial snack like SHMELT-NIK with SPUTNIK ALE to wash it down. The Sputnik story is a little-known fact about our city and we want to share it with the rest of the world. The festival will be a celebration of not only the Sputnik/Manitowoc tie, but to that fun and sometimes frightening space age. PLEASE consider sponsoring Sputnikfest with your kind donation. Major sponsor names and logos will be included on all advertising materials and media displays. Be part of the fun! Sputnik landed here! You should too!
